The screenshot shows the Microsoft Azure portal interface. The main heading is "Infraestructura de proceso | Máquinas virtuales". Below the heading, there are several tabs: "Crear", "Reservas", "Administrar vista", "Actualizar", "Exportar a CSV", "Abrir consulta", "Asignar etiquetas", "Inicio", "Reiniciar", "Detener", "Eliminar", "Servicios", "Mantenimiento", and "No agrupar". A search bar is present with the text "Filtrar por cualquier ca...". Below the search bar, there is a table of virtual machines. The table has columns: "Nombre", "Suscripción", "Grupo de recursos", "Ubicación", "Estado", "Sistema operativo", "Cambiar el tamaño", "Dirección IP pública", "Discos", and "Estado de actualiz...". The table contains three rows of data:
